

Health, Safety and Welfare Policy

Statement of Intent

..... (1)

Our health, safety and welfare as both individuals and collectively as a group working together affects us whether at work or outside of it. This means applying the legal requirements placed upon us in a practical manner.

Subsequently, we intend to:

- avoid injuries to ourselves and others
- avoid damage that may effect our livelihoods
- avoid harm to those in our care
- minimise genuinely preventable foreseeable risks

..... (2)

..... (3)

- (1) Name of organisation
- (2) Signature of most senior person
- (3) Print name of most senior person
